At the Parish Council Meeting on 17th October 2022, councillors agreed our priorities in the event that Section 106 funding becomes available for projects in the Parish.

Our priorities for contributions to, or funding for, are:

- Additional recreational equipment and Parish facilities
- Road traffic improvements along the A39 throughout the whole of the Parish
- Ensuring the future of Blue Anchor Toilets
- Ensuring the future of Roadwater Community Shop
- Improvements to Washford Memorial Hall
- Development of The Steam Coast Trail within the Parish
- Development of Quiet Lanes within the Parish
- Adoption of open spaces within the Parish

It is emphasised that all of these priorities are equal with none taking precedence over the other.

These priorities will be reviewed annually in October. Next review due: October 2023
